

# Hotel Factory Lodge

## Unique facilities for accommodation close to MAN Diesel & Turbo

Hotel Factory Lodge is situated in peaceful and historic settings at Denmark's first sugar factory, built in 1874 in Holeby in the center of Lolland and i walking distance to MAN Diesel & Turbo.

Since the opening of our hotel in 2013 the company MAN Diesel & Turbo have used our hotel, so we have a lot of experience in taking care of the customers from MAN, and take great pride in providing a personalised service – so your stay will be successfully.

At Factory Lodge we offer 12 modern double rooms with individual bathroom. Each room is equipped with TV and free Wi Fi. At Factory Lodge, we also have breakfast facilities and a lounge with TV.

The stay includes a buffet for breakfast and coffee for free, and for between meals, there is allways fresh bread, toppings and cold cuts available.

To make it as easy and convenient as possible we offer to take care of your dinner too, also if you have some special needs and desires about this.

If there is any other requests as for example transport from the airport or renting bikes during your stay we can arrange that. Just let us know and we will do what we can to fulfil your desires.

Take a look at our website:

[www.factorylodge.com](http://www.factorylodge.com)

The Hotel can also arrange the transport from the airport or any other destination, fill out the booking formular or sent us an email with your desires.

**To order you just have to follow this link to get to the bookingside made special for MAN customers.**
